

Organised by 'Friends of Horley Infant School', registered charity: No.1097578; every penny raised going towards our school's development programme.

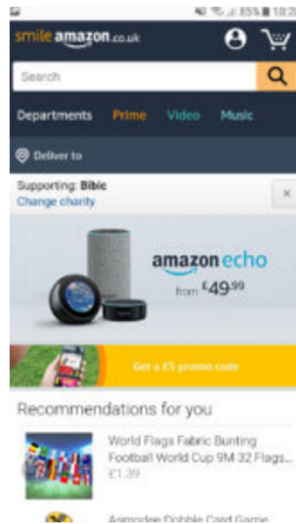

How to use AmazonSmile on your iPhone / iOS

The good news is that although there is no AmazonSmile App, it's really easy to create a shortcut to your phone home screen and it will feel just like using the Amazon App.

1. If you have the Amazon App installed you should remove it. To do this, tap and hold the app icon until it starts jiggle. Tap the cross at the top left of the icon and confirm that you want to delete it. Don't worry, this will not delete your Amazon account or any of your settings.

2. You now need to go online via Safari (the iPhone internet browser) and go to smile.amazon.co.uk. Select 'Friends of Horley Infant School' as your charity and this will come up as your screen:

3. Now, tap the square shaped 'share' button on the bottom of the screen.

4. Tap the 'Add to Home Screen' icon. You may need to swipe to the left to see the first image below. You will now have an AmazonSmile icon on your home screen which you can use in exactly the same way you used the Amazon App.
