

Horley Infant School

Activities if you are self-isolating.

Dear Parents,

Following on from the Government release, some families are having to self-isolate. Please find below a range of websites with activities to support your child's learning whilst at home. The images will help you know that you are on the right site, the links will take you straight there, enjoy:

<https://www.activelearnprimary.co.uk/>

Teachers are ensuring that children's reading levels are up to date and this site has many great resources. Children can read a book to you or they can enjoy hearing a book read to them.

<https://www.purplemash.com/>

As you already know there are lots of great resources on this site from topic related activities, maths and English to lots of creative art projects. Also keep an eye out for 2Dos that your child's teacher will send.

<https://www.shaunsgameacademy.co.uk/>

Learn how to make online games here!

<https://www.bbc.co.uk/cbeebies/games>

A variety of games for all here

<https://beanstalk.co/>

Lots of interactive materials for children aged 1 to 6. They are offering free full access with live classes and on demand classes – parents just need to sign up.

<https://www.twinkl.co.uk/offer>

Use the code UKTWINKLHELP for free access to resources.

<https://www.tutortastic.co.uk/blog/homelearning>

This site will lead you to a wealth of websites to support home learning.

<https://www.oxfordowl.co.uk/for-home/>

Oxford Owl for Home is a bright and colourful website with free resources available to download without registering. Aimed at primary children, they offer activities for reading, English, Mathematics and interactive games. There's also handy "How to" videos to explain tricky concepts. Oxford Owl's free e-book section is wonderful. It's still free but you need a log-in to access it. Great if your little ones would like to keep in touch with Biff, Chip & Kipper!

<https://www.bbc.co.uk/bitesize>

Lots of educational games and resources for all ages.

<https://readingeggs.co.uk/>

Register for a free trial to get 2 weeks access to reading resources suitable for all.

<https://www.nasa.gov/kidsclub/index.html>

Lots of space related activities for all children.

<https://www.educationquizzes.com/ks1/>

Select the KS1 option from the home page and there are lots of activities here which will help your child recall previous learning.

<https://www.topmarks.co.uk/>

A range of activities here but especially good interactive activities for maths.

<https://subscribe.firstnews.co.uk/free-downloadable-issue/> Provides schools with a unique platform for news-based learning. Free subscription and resources during closures.

<https://www.123homeschool4me.com/home-school-free-printables/> If you need access to free worksheets and activities, here's another good place to start. Our friends in the USA have made a really valuable platform here. You'll need to convert the year groups though! As a rough guide: Reception = Pre-Kindergarten, Year 1 = Kindergarten, Year 2 = 1st Grade

<https://kids.classroomsecrets.co.uk/> Classroom Secrets Kids is offering FREE access to everyone until the end of April 2020. The platform is aimed at primary aged children and covers subjects such as maths, reading, grammar and spelling. The platform is really child-friendly so that they're able to access it on their own. There's load of games and interactive activities from phonics to SATs

<https://www.natgeokids.com/uk/teacher-category/primary-resources/> National Geographic is a great platform for learning and it's totally free. There's online games, resources and competitions too.
