

17.04.23

Dear Parents,

We hope you had a wonderful Easter holiday, managed to spend time with family and friends, and the children are all refreshed and ready for the new term.

It's hard to believe that it is the beginning of the Summer Term. Where has this year gone?! We had a fantastic Spring Term with the children learning lots about old and new London, with the highlight being our Great Fire of London Day. It was very special seeing the children all dressed up and particularly watching them play happily together as if they really were in 1666!

The topic for the first half of this term is **Plants and Nature** and the second half topic is **Superheroes!**

Home Learning this half term is slightly different. The children will be bringing home the Mathematics booklet as before, where we ask that you do **one** page each week. There will also be a reading comprehension for the children to complete each week and hand in on Monday. They can either complete it independently or with as much support from you as you think necessary. The Maths booklet and the first reading comprehension will be sent out on Monday 17<sup>th</sup> April. The spelling booklet will also be sent home but on Friday 21<sup>st</sup> April.

### **PE Days**

We ask that your child comes to school in their PE clothes on the following days:

Giraffes – Wednesday and Friday

Lions – Wednesday and Friday

Zebras – Monday and Wednesday

Occasionally these days will change, and when this needs to happen we will always let you know via StudyBugs.

You should now/soon be aware which Junior School your child will be going to next year. We will not be talking about Year Three with your child until much later in the term when we have finalised all transition opportunities to Yattendon. More details about these will follow later in the term. If your child is going to a different school, we will speak to you about what we can do to facilitate the transition process and make their move to Junior School as relaxed and as enjoyable as possible.

We will be holding a **Year Two parent meeting on Wednesday 19<sup>th</sup> April at 9am**, when more detail about the upcoming term will be shared.

Thank you for your continued support.
